CONFERENCE ROOM INFORMATION

The H-53 MFST/MPC will be held at the Kaneohe Kilipper Golf Course from 18-22 April 2011.

-Three different rooms have been reserved. The Mauka room (seats 200) is reserved from 18-20 April, the Makai room (seats 75) is reserved from 18-22 April, and the Sam Adams Pub (seats 75) is reserved from 18-22 April.

-The Mauka room and the Makai room open up into one big room. This room will be used from 18-20 April. The projector screen will be set up in the Makai room near the windows. These rooms are not wired for audio so it will need to be provided and set up by the reserving party.

-The Sam Adams Pub has a built in projector screen, TV screens in every corner, and built in audio. The only thing the reserving party will need to provide is the computer.

-No extension cords for personal computers are provided.

- The Samuel Adams Pub conference room will be the primary ADHOC room for the MFST 18-20 April.
- Another unit has the Mauka room reserved for 21 April. At 1500 on 20 April the Mauka room will need to be vacated. Suggest a break be incorporated on the schedule for 1440. At this time all personnel in the room (usually pretty thin on the last day) can move their gear forward into the Makai room and the dividers can be closed. At 1500 the meeting can resume. This should cause minimal impact as the screen will be located in the Makai from day one so no audio/visual will need to be moved.
- The primary room for the TTF (21-22 Apr) will be the Sam Adams room. If only one computer is provided for visual; it will need to be relocated from the Makai room to the Sam Adams room on the evening of 20 Apr. If two computers are provided then both the Makai room (adhoc room from 21-22 Apr) and the Sam Adams room will have audio visual during the TTF.
